★★★★ Golf Digest Rating

The Crowne Plaza Resort & Golf Club owns and operates the historic **Lake Placid Club**. Set against the splendor of the High Peaks, the award winning Club is the only 45 hole golf club in the Adirondacks.

Our **Links Course** was designed in 1909 by the renowned Scottish architect Seymour Dunn. Measuring 7,006 yards from the championship tees, this par 71 course represents Scottish Links style golf at its best with bunker-laden fairways, native fescue, and large undulating greens.

Our **Mountain Course** was laid out in 1910 by Alexander Findlay, and redesigned in 1931 by Alister MacKenzie, whose designs include Cypress Point and Augusta National, home of the **Masters**. Measuring 6,294 yards with smaller greens and more tree-lined fairways, this course begs for the straight shot. The engaging design takes full advantage of the scenic vistas and will appeal to players of all levels.

Our **Pristine Nine** measuring 1,519 yards winds up the trio of courses, offering a little slice of golf heaven with seven par 3's and two par 4's. It is as wonderful for the beginner as for the accomplished player who wishes to hone his short iron game.

The Club has been proud to host many dignitaries in its hundred-year history. President Clinton enjoyed a round of golf on our Links Course during a weekend retreat. The Club is located a half mile from the hotel.

Veranda Restaurant has developed a reputation as being one of the finest restaurants in the region. Located adjacent to the hotel, this stately manor was constructed with painstaking attention to the masonry of its fireplaces and woodworking. Veranda's menu offers both traditional American and French cuisine, prepared by **our award winning chef**. Whether you choose to dine on Veranda's covered deck overlooking the lake, or amidst the classic appointments of the Hearthside room, the ambiance is uniquely Adirondack, and the food a culinary delight.
